

DOG OBEDIENCE CLUBS OF FLORIDA ANNUAL COMPETITION/TOURNAMENT RULES & REGULATIONS

PURPOSE

The purpose of the Dog Obedience Clubs of Florida (DOCOF) Annual Competition is to provide the opportunity for handlers and dogs to represent their Organization in competition as a team. These Rules and Regulations constitute the basis of the Competition. However, the success of the event relies on the integrity and good sportsmanship of the competing member organizations.

GENERAL

The DOCOF Competition will be held Labor Day Weekend in conjunction with the DOCOF Annual Meeting. The following awards will be presented: 1st through 4th places in each class, Highest Scoring Dog, Highest Scoring Team and High Tri-Combined Team. The High Tri-Combined Team shall consist of the combined scores of each team's highest scoring Novice dog and handler, Open dog and handler, and Utility dog and handler. These three scores are combined and compared to other team scores. The team with the highest total score is the High Tri-Combined Team.

The current American Kennel Club Obedience Regulations govern any rules not stated herein.

Article 2 - ELIGIBILITY REQUIREMENTS:

1. Any recognized Member Organization of DOCOF in good standing may enter.
2. No individual exhibitor entries will be accepted.

Article 3 – ENTRY REQUIREMENTS:

1. Each eligible DOCOF Member Organization may enter a maximum of three (3) teams.
 - a. A full team consists of a minimum of 6 dogs and a maximum of 9 dogs, and shall consist of at least 2, but not more than 3 Novice dogs; at least 2, but not more than 3 Open dogs; and at least 2, but not more than 3 Utility dogs.
 - b. Partial teams of fewer than 2 dogs per class or less than 3 classes or both may also be entered.

 - c. The second or third team may then be a partial team as defined in 1. b. above.

3. The method utilized in selecting individual exhibitors and dogs to represent a Member Organization is not a part of these Rules and Regulations; however, the requirements of Article 4 below must be adhered to.
4. Each club, organization or individual will have the option of designating one dog and handler for each level (one Novice, one Open and/or one Utility, regardless of the number of teams being sent) as an emergency substitute, to be used only in the event that two dogs showing at the same level on the same team are unable to compete. The substitute will take the place of one of the absentee entries, and the information in the exhibitor list will not be changed. An entry fee will not be charged for listing the emergency substitutes, whether or not any are used to substitute for a team member at the Tournament. If a substitute will be used, it is the Team Captain's responsibility to notify the Tournament Secretary as soon as possible. If the substitution occurs on the day of the Tournament, the Team Captain will also report the change to both the scheduled ring and the group ring for that entry. If the club, organization or individual chooses to take advantage of this option, emergency substitutes must be listed on a separate sheet of paper and sent in with the official entry form. All of the information required for regular entries must be provided for the substitutes, including jump height. All rules related to eligibility (both dog and handler) also apply to substitutes.
