Seminar Outline: After answering and returning Ward's questionnaire, Ward will tailor this seminar to address everyone's issues. This will cut down on covering topics that are not of interest to attendees. Ward has also provided links to videos that he produced to explain how he teaches various exercises. By reviewing these ahead of time, it will allow Ward to spend more time with each attendee and less time explaining how he teaches the exercises. Please refer to the Ward Falkner Flyer for a links to his videos.

I invite you to spend a fun filled weekend with your dog and learn Ward's Rule of 3's and his Training Mantra. You will leave with a ton of information that will help transform your training and have a more successful obedience career.
