DOG OBEDIENCE CLUBS OF FLORIDA ANNUAL COMPETITION/TOURNAMENT RULES & REGULATIONS

PURPOSE:

The purpose(s) of the Dog Obedience Clubs of Florida (DOCOF) Annual Competition is to provide the opportunity for handlers and dogs to represent their organization in competition as a team. These rules and Regulations constitute the basis of the Competition. However, the success of the event relies on the integrity and good sportsmanship of the competing member organizations.

At the discretion of the DOCOF Board, DOCOF may also offer a Special Event Trial, which follows American Kennel Club (AKC) Rules and Regulations. The purpose of The Special Event Trial is to allow exhibitors participating in the DOCOF Team competition, to also have their scores in the DOCOF classes, count toward AKC titles. The DOCOF Special Event Trial, hereafter referred to as the S.E.T., will allow dogs that have earned qualifying scores in the regular classes to count toward AKC titles at the Novice, Open and Utility levels. Each exhibitor's scores will count as a DOCOF Team score and an Individual score for AKC.

GENERAL:

The DOCOF competition will be held Labor Day Weekend in conjunction with the DOCOF Annual Meeting.

The S.E.T. must be hosted by an AKC approved Member or Licensed Club in coordination with DOCOF. The DOCOF Board will determine which AKC Club will act as the "Host".

If an exhibitor is entered in both Open & Utility classes, only one (1) score will count toward the DOCOF Team score. Exhibitors opting to enter the Preferred class will also be allowed to enter the Preferred Open & Preferred Utility classes, only one (1) score will count toward the DOCOF Team score. Each DOCOF Team must decide which class they want the scores from dogs on the team to count towards the team score at the time of entry.

These dogs will do their Stays either in a separate ring under a different Judge, or in the same ring after all the other dogs have completed their Group Stays. The substitute will take the place of one (1) of the absentee entries, and the information in the exhibitor list will not be changed. An entry fee will not be charged for listing the emergency substitutes, whether or not any are used to substitute for a team member at the Tournament. If a substitute is used, it is the Team Captain's responsibility to notify the Tournament Secretary as soon as possible. If the substitution occurs on the day of the Tournament, the Team Captain will also report the change to both the scheduled ring and the group ring for that entry. If the Club, organization, or individual chooses to take advantage of this option, emergency substitutes must be listed on a separate sheet of paper and sent in with the official entry form.
